# We are... Bedrooms

## Why choose ***Fitted***?

Bedrooms come in all shapes and sizes - often with distinguishing features. Chimney breasts, sloping ceilings and uneven walls add character, but they can also cost you valuable storage space. We will redefine the living space for you,

working with the room's features to realise its true potential. Wall to wall, floor to ceiling, our individually designed fitted furniture transforms even the most irregular bedroom.

Edge to edge mirrors.

Slopes no problem!

Wall to wall floor to ceiling storage.

A place for everything.

# Acadia

## Matt Fjord Blue

Characterised by its clean lines and minimalistic appearance, Acadia blends classical design with a modern touch. Acadia is available in eleven stunning colour options with optional mirrored doors, transforming the room by capturing light and creating the illusion of additional space.

Our slim style door proportions bring the shaker design up to date, blending seamlessly into classic and modern homes.

Shown above in Matt Fjord Blue our clever shaker design perfectly organises belongings with its endless storage possibilities.

Hand - Painted

## Hand-Painted

Painting brings a touch of traditional style and is in a class of its own. Each piece is finished by hand to emphasise detail and create something that is truly elegant. Our Milton range has a light wood grain finish. It brings the classic styling of a shaker door and modernises it with a colour palette that would suit any room from a boutique hotel to a house in the Cotswolds.

Painted

# Lucerne

## French Grey

Lucerne’s painted slab doors are simple and stylish. Differing height units have been used here to create a fabulous dressing table. Add an extra element with upholstered headboards or seat pads from our range of fabrics.

Pebble Grey

### Colours

The photographs on this page show the range designed as ‘Push to open’ with no handles. This feature is an upgrade and is design dependent. Please ask your retailer for details.

# Milton

## Dove Grey

Milton is a sophisticated painted classic. An elegant and timeless shaker style door painted in soft satin over the light woodgrain, Milton is available in twelve colours. Optional mirror doors can be used to add another element of class.

# Sliding Wardrobes

## Sliding Doors

A stylish alternative to traditional built in wardrobes. Sliding doors allow you to have a wardrobe wherever you wish, even in a room with very little space.

Designed to provide a modern storage system, sliding doors are remarkably flexible.

## Versatile, yet elegantly simple

Our collection of sliding doors is available in three stunning designs, in a range of finishes and widths giving you the flexibility to add your own personal touch. Built to the highest standards, from the top quality finish to the smooth running of the sliding doors and the clever soft close mechanisms.

## One Panel Simplicity

Choose a one panel option and you can keep it simple, yet ultra stylish, with the same finish across the run. Create the feeling of light and space using mirrored or glass finishes or combine different finishes on the same run to make a bold statement.

A classic monotone bedroom. White frame and doors with Vanilla Matt insert. Then complimented with Milan white low units and dressing table.

Cool, crisp white. The perfect palette that allows you to personalise your room with vibrant splashes of colour, or go for the classic minimalist look.

# Panorama *Three Panel Elegance*

With each door divided into three panels, there is an opportunity to combine finishes or keep things simple with the same throughout. A three panel all mirror door is used here in a hallway to great effect.

*Each sliding door wardrobe is completed with a matching or contrasting surround-the choice is yours.*

*inside out*

## ***Inside story***

Caring for your clothes, shoes and other belongings. Our range of interior storage solutions provides dedicated spaces for even the most awkward shaped items, with a selection of racks, frames, shelves and rails that are both functional and stylish.

Our storage solutions are designed to be both functional as well as accessible and to stand the wear and tear of every day use.

The quality of our craftsmanship means that everything works perfectly time after time, making life easier for you.

# New Interiors storage, storage and yet more storage

Keep the 'just-pressed' look of your trousers with this neatly spaced, trouser rack. The slide out facility means that you can access the trousers you want quickly and easily.

Enjoy total flexibility at your fingertips with our new interior drawer options. Our three drawer option allows you to mix 'n' match drawer sizes to suit your needs.

Even tall ceilings aren't a problem. Top boxes turn wasted space into storage.

Combine short hanging and long hanging, with a choice of shelves and drawers.

Adjustable shelving gives you the flexibility you need for all your present and future storage needs.

We've improved our pull-out shoe racks with a soft close/open facility to make accessing your shoes simplicity itself.

Form meets function with this concealed glamour unit.

The simple ideas are usually the best. Slimline racks on the door can store belts, ties or scarfs, while an internal mirror lets you do a final check.

# Front Frame

Front frame construction is ideal for difficult shapes and sloping ceilings, with wall to wall and floor to ceiling storage. Hanging rails can run continuously across the full width of the wardrobe, or within their own compartments along with drawers and shelves. The existing wall decoration will be visible inside the wardrobe.

# Full Carcass

If you prefer an enclosed wardrobe interior, with a woodgrain finish all round, full carcass is for you. Each wardrobe comes as standard with a floor, roof and side panels enabling each storage area to be fully sectioned off. Shelves are adjustable to give greater flexibility.

Solid nickel shelf supports make moving your adjustable shelving easy.

# Sliding Door aluminium stanchion

The internal fixtures of our Panorama Collection not only give flexible storage solutions for wardrobes but also provide perfect fittings for walk in wardrobes and dressing rooms. Choose from a range of shelves, chests, hanging rails and shoe rails to provide optimal storage for all your clothes and accessories. The existing wall decoration will be visible inside the wardrobe.

# Sliding Door panel interiors

This interior panel system offers flexibility and utilises every bit of space. Novanta Oak panels to best compliment your room. Complete the inside of your wardrobes with slide out shoe trays and adjustable shelves. The existing wall decoration will be visible inside the wardrobe.

# Walk-in closet

The dream of a walk-in closet can be realised with our aluminium stanchion storage system. The lack of panelling creates an open feel and uninterrupted use of space. The softened edges of the extruded aluminium rails and shelf supports, ensures that your clothes remain snag free. Shelves and chests are available in Novanta Oak, complimenting the aluminium perfectly.

# Interior finishing touches

Our range of interior storage solutions provides dedicated spaces for even the most awkward shaped items, with a selection of racks and frames that is both functional and stylish. If you like to see everything in its place when you open your wardrobe door, this range of accessories will suit you.

## Slide out shoe rack

Holding up to nine pairs of shoes per rack, this item is perfect for shoe lovers. It slides out, allowing you to quickly choose from the footwear displayed. The rails are detachable for easy cleaning.

## Counter balanced hanging rail

Our full carcass storage solutions incorporate clever features, such as counter-balanced hanging rails.

## Pull out basket rack

This handy pull out storage basket is concealed neatly behind a cupboard door.

## Glamour Unit

Our concealed glamour unit is a cleverly designed combination of form and function.

90 Degree hinges are standard, but optional 170 degree hinges give a wider access area.

All drawers are made as a complete four sided box for strength and stability before the front panel is added.

A curved hanging rail makes the most of space in a corner wardrobe.

Shoe rails help keep your bedroom neat and tidy.

# Finishing touches

With many years' experience of designing individual bedrooms, we've learned a lot about the different demands people make of their furniture. That's why we give you such a wide range of storage options to ensure your room fits your individual needs. Choose from our range of matching furniture and accessories for a fully co-ordinated look.

# Personal design service

## Tell us about yourself

Your designer will visit you at home to get to know you and chat about what you love, hate, and absolutely dream of. Only then can your perfect room be created.

One of our main concerns is to make sure you enjoy the process of designing your dream bedroom almost as much as the final result!

Your designer will have been chosen for their ability to deliver a first class service.

All designers have undergone extensive training and are provided with all the materials they need to plan, design and install your new bedroom with confidence.

We work hard to maintain consistently reliable delivery dates and product quality.

# Book your free design and planning consultation

If you have been inspired by the beautiful bedrooms in this brochure why not get a quote?

It's a free and friendly service and you are under no obligation to purchase. It's great for getting ideas and you may be pleasantly surprised by the results.

# It couldn't be easier to book an appointment.

Details of your local showroom can be found by visiting our website. Friendly and knowledgeable staff are on hand to answer any questions that you may have about the design service and will be happy to help you with the first steps towards the creation of your ideal space.

As our policy is one of continuous improvement, we reserve the right to amend designs and specifications without prior notice. Where natural wood veneers are used on external surfaces, we are unable to guarantee an exact match. The description "chestnut" refers to the colour finish only, and does not indicate that the article is manufactured from this material. Similarly, the description "brass" refers to a surface finish and does not indicate that these fittings are made of the solid brass. The colours produced in this brochure are as accurate as printing processes will allow.

# 10 year warranty.

*For complete piece of mind our bedroom furniture comes with a full 10 year warranty.*

We want you to be happy with your new bedroom for many years to come. That's why we are happy to guarantee all our furniture for 10 years. Terms and conditions apply.
