H LINE

Ultra Modern Handleless Kitchens

## H LINE COLLECTION

H Line is an ultra minimal, clean lined and modern mix of gloss, textured and super smooth finishes, all blended together with a true handleless programme of furniture, allowing almost any taste in finish to be accommodated. Combined with our exclusive and unique Handle Rail system, available in 28 colours, you can tailor your kitchen to suit your own personality and flair.

H Line offers you the freedom to create exclusive linear designs that are functional, yet ultra sleek and desirable. All base and tall cabinets are offered extra deep to maximise internal space and storage capacity. Our wall units allow you to store a full 12 inch dinner plate. In addition, we have removed the traditional centre post from our cabinets and replaced it with an aluminium profiled rail that combines to support the integrity of the wall cabinet, whilst adding another aesthetically pleasing element to your design.

## OUR RANGES

1. Sutton
2. Lumina
3. Larna
4. Madoc
5. Deco
6. Hampton

## SUTTON

A modern, durable slab design, which features an anti fingerprint and scratch resistant technology that is built into the surface of the door. It is cold pressed, foil faced and ABS edged, with a choice of 11 super smooth silk finishes to create your dream kitchen and living space. Combine your Silk colour with our 'Birch Ply Effect Edge' and really make your kitchen stand out from the rest.

## LUMINA

Lumina is a super high gloss range that epitomises the modern, urban look with its highly reflective finish. It is available in 8 fabulous gloss colours, with a choice of matching ABS edging or 'Duo' glass effect edging.

## LARNA

Beautiful textures and a wonderful neutral colour palette. Larna's paint effect finish with horizontal grain, will give you the flexibility and creativity to design a dream kitchen and living space. A winning combination when mixed with Sutton, Hampton or Lumina.

## MADOC

Whether you want a rustic or über modern finish, Madoc can offer it all. Choose from the warm rich tones of Mayfield Oak or the dark, sultry tones of Terra to completely personalise your kitchen scheme. The perfect accent to our Sutton, Lumina or Hampton ranges.

## DECO

With its lifelike structured finish, Deco radiates class, luxury and style. Create your dream kitchen that reflects your character and taste. Deco works perfectly when mixed with the subtle silk finish of Hampton and Sutton or the super high gloss finish of Lumina.

## HAMPTON

Hampton is a 'flat slab' painted door finished in our beautifully tactile, super smooth silk finish. There are 25 painted colours to choose from, which can be teamed with a matching handle rail for a seamless finish, or alternatively, select a contrasting handle rail for a superb mix and match look. Complement this range with the beautiful tones of Deco and Madoc.

## CABINET COLOURS

Our 11 different cabinet colours give you the choice to have a matching or contrasting colour to the door front. Improve the aesthetics of your kitchen dramatically by mixing or contrasting your cabinet.

## HANDLE RAIL OPTIONS

The very definition of a true handleless kitchen is its handle rail, it's what gives your kitchen the wow factor. H Line has more personalisation options than ever before. Pick one of our 28 handle rail options to complement your kitchen or a contrasting colour to make a real design statement.
